Director | China

Song Mao

Song is a Director with Qualcomm Ventures based in China. His focus is on Chinese startups in the mobile health, e-commerce, smart home and enterprise mobile solution sectors. He also runs the QPrize com-petition for the region and is deeply involved in early stage investments.

Song co-founded two companies and worked as a strategy investment manager at SK Telecom before joining Qual-comm Ventures. He holds Bachelor's and Master's degrees in Electronic Engineering from Tsinghua University and an MBA from the Ross School of Business at the University of Michigan.

Outside the Office:
Song used to be a GMAT teacher. He is a history buff, loves walking, and has also written a book.
